

Increased Enrollment Expected In Graying Schools On September 6

On Tuesday, September 5, the Graying School staff will meet and organize for the 1950-51 school year. At 9 A. M., the following day, Wednesday, September 6 the students will be enrolled. At this time the regular daily schedule will be shortened to allow the pupils to be dismissed for the day at noon. On Thursday, September 7, the regular daily schedule will be followed.

Students from the kindergarten through the eighth grade will be furnished text books, but all work books, pencils, crayons, paper, etc., are to be furnished by the pupils. They are not to bring money for the work books until notified to do so by the teachers.

The usual book rental fee of \$1.50 for students in grades nine through twelve is payable when they enroll. This fee does not cover damage, loss or unreasonable wear of text books. Students in these grades will also furnish their own work books and supplies as notified by the teachers.

A decided increase over the 675 pupils who enrolled in September, 1949, is expected with most of the increase coming in the lower elementary grades.

Beginning kindergarten pupils should be 5 years of age by November 1, 1950 before enrolling. Parents or an older person should come with the beginning pupils and take them home as soon as their enrollment is completed.

The staff for the coming year will be as follows:

Frank Bond, superintendent.
Joseph Stripe, High School principal.
Wesley Kumpula, shop.
Norine Hanson, English.
Earl Gierke, social science and mathematics.
Virginia Kraus, commerce.

Bruce Smith, Junior High, physical education and coach.
Wanda Mikrut, homemaking.
Elmer Fenton, Junior High.
Robert Bovee, mathematics and assistant coach.
Robert Kellogg, social science.
Evelyn Klein, fifth grade.
Margaret Douglas, fifth grade.
Beatrice Laux, fifth and sixth grades.
Marjorie Giegling, fourth grade.
Ruth Caid, third grade.

8 Leave Tuesday For Army Exam

Eight more Crawford County young men will leave Grayling next Tuesday to undergo physical examinations at Detroit prior to induction into the armed forces, draft board clerk C. B. Johnson announced today. Those slated to make the trip are Alvin J. Brown, Claude Parkinson, Jr., Emerson L. Miller, Ralph F. Allen, Earl F. Rasmussen, Don K. Parrish, Joseph S. Kernosky and Bernie Sadjak. Leaving for induction into the services on September 12 will be Clarence H. Shaw and Joseph W. Bogart. Bogart will leave for service from his home town of Sturgis, but being registered here will be credited to Crawford County, Clerk Johnson explained.

He added that it appeared as though a number of 18-year-olds have not registered as they became of age in the past two years. He said the County Board urges any youth who has reached 18 years of age since August, 1948, and has not registered to do so immediately as the penalty for failure to register is a \$5,000 fine or 5 years imprisonment, or both.

Registrants may register with Board members Alred Hanson at his garage, Charles E. Moore at his office or James Post at the Grayling Post Office or with Clerk Johnson.

Each youth reaching 18 years of age must register within ten days from that date or he may be prosecuted for failure to do so, it was explained. Likewise, all registrants must report to the board any change of address, or if married or if children are born to the family changing the status, Clerk Johnson said. This information is required upon the classification card which the registrant carries and must be on file with the Board in order that each registrant is properly classified.

Archery Company Hosts To International Group

On Tuesday and Wednesday of last week following the National Field Archery Tournament at East Tawas the Bear Archery Company was host to a group of some fifty archers from all over the United States, Canada and Sweden. The affair started at noon on Tuesday with a buffet luncheon on the local factory grounds and an afternoon of inspecting the plant where considerable interest was shown in the methods of manufacturing the famous Bear bows.

Tuesday evening the group met at the home of Dr. R. A. Van Vleet on Lake Margrethe for a fish fry. Sixty-three people were served trout on this occasion seated at long tables out of doors on the lake front. The dinner was followed by an evening of entertainment at which Fred Bear showed movies of hunting trips in Canada and Michigan. George Griffith, member of the Michigan Conservation Commission, spoke briefly concerning the new area opened for bow hunting this fall in the vicinity. Activities ended with music and singing around a camp fire.

On Wednesday luncheon was again served at the factory and shortly after the entire party left for a three-hour canoe float down the Manistee River. The trip terminated at Bear's Bend where a corn and wiener roast had been prepared by Mrs. Carl Hanson and some of the time of the evening entertained the guests with songs around the camp fire. Bob Meaker and Grover Cox shared in this program also.

Among the guests for this two-day program were Mr. and Mrs. Hakan Blechberg of Stockholm, Sweden, who flew to the United States for the National Tournament. Another bowman from Sweden was Carl-Hendrik Bergstrom of Sandviken. Mr. Bergstrom has visited Grayling following other tournaments.

Also present were Mr. and Mrs. Roy Hoff of Los Angeles, California, editors of Archery Magazine and Everett Johnson of St. Paul, Minnesota, editor of the Wisconsin Bowhunter. Arnold Haugen of Auburn, Ala., president of the National Field Archery Association attended with Mrs. Haugen as well as Larry and Mrs. Whiffin of Milwaukee, Wisconsin. Mr. Whiffin is prominent in bowhunting and conservation circles in Wisconsin.

From the east were Mr. W. B. Wescott of Dover, Massachusetts and Albert Van der Koogel, in charge of archery equipment at Abercrombie and Fitch, New York.

Michigan claimed both the men's and women's champions this year. Mrs. Frances Lozon of Marine City, Michigan had high score in the women's division and Mr. Erwin Ketzler of Flint took first place for the men. Both, with Mr. Lozon and Mrs. Ketzler, attended the party in Grayling. Fifteen year old Gary Hash of Glendale, California, boy's junior champion attended with Capt. and Mrs. Gregory also of Glendale. Other well known archers from California included Nubie Pate and Bob Morely of Barstow, Mr. and Mrs. Hugh Rich of Glendale, and Mr. and Mrs. Henry Bitzenberger of Pasadena. Mrs. Bitzenberger lost her title this year to Mrs. Lozon after holding the title for several years.

The clinic was sponsored jointly by the Central Michigan Committee, Michigan Regional Committee on Trauma of the American College of Surgeons, the Medical Personnel of the Michigan National Guard and the Medical Society of the North Central Counties and was chaired by Dr. C. R. Keyport.

Following registration at the Officers Club an address on "Atomic Radiation Injuries" was given by Dr. Frederic D. Goudie, after which a social hour was enjoyed. This was followed by dinner at which time General Ralph A. Loveland spoke.

Morrison D. Beers, M. D., Lt. Col. M. C. of the Michigan National Guard spoke on "Traumatic Facial Wounds" and George J. Curry, M. D., F.A.C.S., on "Fractures about the Elbow Joint," in the evening.

Engle-Stephan Set Record In Winning 4th Marathon

Rule Train Crash "Accident"

A coroner's jury called for duty on Monday ruled that the death of Walter Mikkelsen, 29, of Detroit was accidental. The young man lost his life last Saturday night at the Lake Street crossing of the New York Central tracks in Grayling when his car was in collision with a switch engine.

Mrs. Mikkelsen, 27, was severely injured in the crash and continues in a "critical condition" at Grayling Mercy Hospital where she was taken along with her husband after the accident.

The crash occurred at about 8:30 Saturday evening. The engine was reported to have been backing north while the Mikkelsen auto was coming east on M-72 into Grayling.

Mr. Mikkelsen's parents own a cottage at Danish Landing at Lake Margrethe and he had spent many summers here and was well known to many people. The railroad's crossing signal was not in operation at the time of the mishap since the engine was operating on a siding track. The signal operates only when a train is approaching on the main line, investigators reported.

Bissonette Brothers Finish In Second

The canoe team of Jay Stephan of Grayling and Ted Engle, Jr., of Gaylord upheld the precedent set in the past three Michigan Canoe Championships held on the AuSable River from here to Oscoda last week end by setting a new time record when they paddled under the finish line bridge in 18 hours and 32 minutes. This bettered last year's time set by the Bissonette Brothers of Oscoda by 25 minutes.

Their victory also halted the bid of Hugh and Frank Bissonette for their third straight win and permanent possession of the Tom

They have been loved by all in our church work as well as in our homes and we wish them God's speed in their new location, Alpena. After services, all retired to the Ladies Club room and enjoyed light refreshments together. Wm. Miller, chairman of the board of trustees presented Rev. and Mrs. Hazzard with a lovely table lamp a token of our esteem and a thank you for interest shown in our Christian work. All sang together. God Be With You Till We Meet Again.

Carl Kelley of Grand Rapids spent the week end as a guest of Mrs. George Sorenson.

Marston Memorial Trophy emblematic of victory in the 240 mile marathon canoe race. Only nine teams of the starting field of twenty finished the race with the Bissonettes taking second with time of 18 hours and 52 minutes to better their last year's time by 5 minutes. Alfred and Robert Rego of Toledo finished third just two minutes behind the second place canoe with Al Gierke and Bernard Fowler of Grayling fourth. Earl Graham and Jackson Brown of Alpena fifth, Mel LaMieux and Walter Kierce of Alpena sixth, Edward Dumont and Charles Davey of Oscoda seventh, Steve Kolonich of Tawas City and Harold Spencer of Mio eighth and Herbert DeWitt and Frederick Schroeder of Flint ninth.

Rain and lightning bothered the field of canoeists late Saturday night and early Sunday morning. The Bissonette brothers worked their way into an early lead and were the first team over the Mio portage with Stephan and Engle and the Rego brothers close behind them. During the early morning hours, the winners pushed past the two time winners and held their lead on to the finish line.

Senator Charles Prescott presented the Marston Trophy to the winners and the other award ceremonies at the Oscoda bandshell Sunday afternoon after all of the canoes had crossed the finish line.

In races on Saturday morning preceding the start of the Michigan Canoe Championships from here, Zina Vallad and Helen Stephan won the first annual womens race which left Grayling at 9:30 in the morning and continued to Stephan's Bridge. Cynthia Hanna and Pat Stephan placed second and Iris Madsen Stephan and Jacqueline Harwood Mathewson were third. The winners time for the 12 mile canoe dash was two hours and 11 minutes. A "special entry" in the women's race was the "Hoop-De-Do-Sisters" (Clarence Roberts and Hurl Deckrow who gave the watching crowd some real entertainment as they entered the race dressed in feminine clothing and proceeded to do everything backwards, falling into the river several times. Hurl brought out his headstand which up to this point was usually done in the winter coming down the toboggan slide. This time he attempted to paddle the canoe from the upside down position. It was a real show and the spectators loved it.

Following the women's race, a race took off upstream from above the US-27 bridge to the M-72 bridge and return for boy entries. The race was won by Jimmy and Bobby Stephan with Duane Worden and Lloyd Failing taking second and Ronnie Owens and Bob LaMotte third.

The noon briefing luncheon at the Mitchell Memorial Church for entries in the Canoe Championship followed with members of the Mary Martha Circle serving. It was handled extremely well and was enjoyed by those attending. Log rolling in the millpond above US-27 followed with Homer "Mud" King and Duane Wainwright serving as principals. Canoe tilting with the team of Bob LaMotte and King vying with Leo Lovely and Wainwright served to entertain the crowd. An archery demonstration by Frank Scott of the Bear Archery Company with Fred Bear giving a running commentary followed the canoe tilting with the awarding of prizes to the winners of the women's and boys canoe races taking place just before the start of the big marathon.

On Friday evening a street dance was held at the end of Michigan Avenue which was well attended. Music was furnished by the Bohde Boys Trio and a sound track with Earl Burns and Russell Beck calling some square dances.

All in all, the pre-race entertainment was exceptionally fine and did much to entertain the crowd and hold them in Grayling until the marathon was underway.

Special thanks are due Leslie Hunter and Arthur Worden who co-chaired the events and the various organizations in Grayling who gave of their time and money to give prizes and furnish the management of running the several entertainment features.

City Blacktops Several Streets

The City of Grayling finished the blacktopping of several streets last week when the Hicks Company of Ithaca, who were working on M-72 east of Grayling found themselves with 3,400 feet of blacktop left over from the job. They offered the material to the city at a reduced price and two blocks of Maple Street were blacktopped. The city also blacktopped all of Madison Street and most of Railroad Reserve received the hard-surfacing treatment. The entire amount was purchased by the city for around \$900. City Manager Max Davenport said.

THE WORD "THUG" IS NOT MODERN SLANG

It comes from the name of a confederacy of professional murderers, who terrorized India for 700 years. They worshiped "Kali Ma," the Hindu goddess of destruction and assassination was a religious duty. The order was un-
dated between 1850 and 1840 and later stamped out. L. "Nuggets of Knowledge"—Geo. W. Stimpson.

Australia And The United States

The following editorial recently appeared in the Sydney, Australia, Daily Telegraph:

"If the gentlemen in Canberra have the vaguest idea of this nation's best interest, they will announce that Australia will support the hard-pressed Americans in Korea with a division of land troops and more fighting planes. The reasons should be obvious to every Australian who remembers how we felt in 1941 when this country lay wide open to invasion. If the Americans are swept out of Korea and Formosa, the Russian front will be triumphant throughout Asia. Whatever friends we have still on the Asiatic continent will desert us.

"What saved us from battle on our soil and conquest in the last war except American help? Can we expect similar help again if we let the Koreans murder Americans in another Dunkirk without doing everything we can? The Americans are closely watching all the peoples who have given flowery lip service to the U. N. and have received in return generous U. S. aid. If they sit on the sidelines now, while Americans die in an outnumbered struggle, many American people will argue that they would be wiser to spend their money on themselves and let the rest of the world sink.

"We are told that some British people enjoy the spectacle of Americans fighting while Britain for once is at peace. That is a stupid satisfaction. For only one thing keeps Britain or any of us at peace at this moment and that is Russia's fear of American industrial strength backing up a solid British-American front. They would have their happiest day of all time at the Kremlin if the Korean struggle ended with Americans feeling that Britain and her dominions had let Americans down. For that would damage the only military and political combination which may draw a line to Russian ambitions. To forestall this blow we and the rest of the British Commonwealth must give as generously as we expect Americans to give when we are in difficulties."

Speak Vows In Lansing

The Michigan Avenue Methodist Church, Lansing, was the scene on July 30, of the wedding of Miss Dora Lou Broadbent of 118 Jones St., daughter of Mr. and Mrs. Earl W. Broadbent, Grayling, and Pfc. Donald E. Southern, son of Mr. and Mrs. Neil Southern of Ewing, Va.

ert Lott was organist.

Matron of honor was Mrs. Donald Bobenmoyer of Grayling, sister of the bride. Her daughter, Karen Ann Bobenmoyer preceded the bride as flower girl. Best man was Ronald Dickerson, Gaylord, friend of the groom. Bridesmaids were Mrs. William Widrig, Gaylord, sister of the bride; Miss June Fox, and Miss Joan Fox, Lansing, cousins of the bride. Groomsmen were Calvin Huey, Jackson, cousin of the bride; Wayne Baisel, Millett; Fred Miller, Millett; William E. Widrig, Gaylord; and Richard Hodgkins, Lansing, ushered the guests.

The wedding gown of slipper satin was adorned with heirloom lace which was crocheted by the bride's mother. It was fastened at the shoulder, looped over the arms and fell to the hemline. A coronet trimmed with pearls held a finger length veil. A cascade of white rose buds on a white Bible completed the dress.

The matron of honor chose an orchid gown and carried an arm bouquet of gladiolas, daisies, and

delphinium tied with a lace ribbon to match the gown. Yellow and turquoise dresses were worn by the bridesmaids. They carried bouquets of daisies, delphinium and baby-breath that were tied with matching ribbons. The little flower girl carried pink and white baby-breath and blue bachelor buttons tied with a lace ribbon to match her blue dress. Large white daisies were worn in their hair.

The bride's mother wore a navy blue nylon dress with matching accessories and a corsage of gladiolas and baby-breath.

Those attending from out of town were Mr. and Mrs. Earl Broadbent, Grayling; Mrs. Effie Broadbent, Jackson; Mr. and Mrs. M. Carr, Wayne; Mrs. Virginia Templeman, Allen Park; Mr. and Mrs. William Widrig, Gaylord; Mrs. Donald Bobenmoyer and family, Grayling; Mr. and Mrs. Ronald Dickerson and family, Gaylord; Mr. and Mrs. George Angus, and Irene of Gaylord; Mr. and Mrs. Calvin Huey and family, Jackson; Mr. and Mrs. Archie Brown and family of Jackson; and Miss Ellen Ann Hale, Detroit.

Pfc. Donald E. Southern is leaving for Fort Lewis in Washington State for further order so Mrs. Southern will continue working at Michigan National Bank in Lansing.

Eclipse of Moon Due
September 23. U-M Says

Ann Arbor—It was meteors in August but the September feature in the skies will be a total eclipse of the moon.

Dr. Hazel M. Losh, assistant professor of astronomy at the University of Michigan, reports that the moon is scheduled to be blacked out by the earth's shadow on Monday, September 25, with a portion of the eclipse continuing on into the early hours of September 26.

The moon will start to enter the

earth's shadow at 9:32 P. M., Eastern Standard Time, and at 10:45 P. M. will be completely blacked out. This total phase will last for 48 minutes. The moon will not be entirely clear of the earth's shadow until 1:02 A. M. Dr. Losh says.

"The moon will not vanish from sight during the so-called total phase of the eclipse," she points out. "Even when entirely covered by the earth's shadow, the moon will be illuminated by the Sun. This sunlight filters through the earth's atmosphere around the base of the shadow and then is deflected and spread out over the surface of the moon. This will give the moon a dull red or copper color throughout the 48 minutes of total eclipse."

Dr. Losh recalls that there was a similar total eclipse of the moon on October 8, 1949, but emphasizes that a total eclipse of the moon does not occur at every full moon because the moon's route through space is usually tilted at such a degree that it passes above or below the shadow of the earth. It is only on occasions that the moon's route during the full phase is such that it is affected by the shadow of the earth case by the light of the sun.

The September moon also makes news because it is the Harvest Moon since the sun enters the autumnal equinox at 9:44 A. M., Eastern Standard Time, on September 23 and begins its long journey south of the equator. The full moon at the time of this equinox differs from the others during the year according to Dr. Losh, since it rises at almost the

same hour for several night in a row.

During the month, Jupiter will continue to be a bright object in the southern skies throughout the night. The night of the eclipse also will be an ideal time to locate the Great Square of Pegasus since the moon will be just below this constellation at that time.

The star marking the left upper corner of the Square actually is not a part of the constellation of Pegasus but belongs in the star-

picture of the constellation Andromeda which presents another beautiful spectacle in the eastern sky during early September evenings.

A look at any astronomical map will help in locating these constellations, Dr. Losh reports.

A single oyster produces between 55 million and 114 million eggs in a lifetime.

Washington—Rep. Roy O. Woodruff, Tenth District of Michigan Republican, like the majority of patriotic congressmen, will remain in Washington because of the press of the Korean situation, foregoing the usual election campaigning.

Said Cong. Woodruff: "I believe it is much more important for the people of my district that I remain here to keep abreast of the war situation in Korea than to carry on the usual campaign for reelection. The situation is such that legislation to combat the machinations of Moscow may become urgently necessary at any time. Therefore, I made up my mind that I could better serve my constituents by being a watchdog of any emergency legislation."

"I am sorry that I will be unable to meet my many friends this year as has been my habit over the years. Incidentally, campaigning for me has been a very pleasurable task since it gave me the opportunity to visit my friends whom I have found to be legion."

Woodruff added: "If the news from Korea is better in the next week or so, I will spend at least a few days with the people of the tenth district."

Rep. Woodruff is the dean of Michigan legislators holding down the most important of committee assignments gained through his long years of service in the halls of Congress.

Enjoying excellent health, Rep. Woodruff said he would have much preferred campaigning this year than remaining in Washington.

"It's good to get to Michigan, a real tonic any time of the year," he concluded.

The congressman is a candidate to succeed himself in the Republican primary, September 12th.

Move Toward Organization of New State Troops

Regimental commanders of the newly authorized State Guard have been directed to proceed immediately with the organization of their staffs, battalions and companies in all communities now having National Guard armories, was announced today by Col. George B. Ely, commanding officer.

The announcement was made following a week end conference at Camp Grayling called by Governor Williams. Participating in the conference in addition to Col. Ely were Brig. General George C. Moran, State Adjutant General, and the four recently appointed regimental commanders: Col. Douglas E. DesRosier, Detroit; Col. Loren W. Jenkins, Escanaba; Col. Archie N. Wood, Flint; and Col. Mallory M. Kincaid, Grand Rapids.

The area commanders will now accept applications at their home town armories from candidates for appointment as battalion and company officers. Applications may also be submitted to the Adjutant General's office at Lansing.

As soon as company commanders have been named, they will accept applications from potential key non-commissioned officers. Lists of prospective enlistees will also be prepared. Applications are desired from all qualified personnel with military experience who are not subject to federal service.

The State Guard will constitute the state security force to replace the National Guard if and when the latter is called into federal service. Col. Ely reported that four regiments and five special troop units are to be organized. The 77-company size units plan for organization would have a planned strength of 7,500.

The state force, according to Col. Ely, will be composed of self-contained, mobile units designed to carry out their normal statutory security mission. In addition personnel will be specially trained to meet the added potential emergency of air attack upon the state's industrial centers.

Initial organization of the State

REPRINTED FROM IOSCO COUNTY NEWS UNDER
DATE OF MARCH 30TH, 1950

Ogemaw County Farmer and Livestock Breeder

A concurrent resolution offered in the Senate last week by our own
Senator Charles T. Prescott, seeks to force a balanced State Budget.

The Budget proposed by Governor Williams in the special session is
\$110,000,000 over and above the estimated revenues for the fiscal year.
In his resolution, Senator Prescott points out that the Section 5 of the bud-
get law requires the budget director to prepare a budget of recommended
expenditures which estimated expenditures shall not exceed estimated
revenues.

From the smallest political subdivision to the largest, there has been
a growing tendency in recent years to pay little attention to the budget.
This has been particularly true in State and Nation.

It is encouraging to say the least, that at last some of our representa-
tives at Lansing have the courage to try to put a stop to this unlimited
spending. Our representatives in Washington could well follow suit.

WE NEED MORE OF THIS KIND OF REPRESENTATION.

Guide To Fishing

By

JACK SCHWEIGERT
Roving Reporter

Your missing a great deal of fun if you have not yet taken up fishing for Pan Fish with a Fly Rod. It requires as much skill as Trout fishing and they are very scrappy on a light rod, and it often requires every trick in the books to wear a Pan Fish down with a 3X leader. Like ice fishing for Pan Fish, it requires skill to get the "Bragging Size" to take your fly. A slower motion action on your fly is more productive. Try it sometime and you will agree that the Pan Fish are not as dumb as some of the Troutsters would have you believe.

The high points for this week will be in the morning. The 30th and 31st have no real high points. The 1st to 3rd, at 6 to 2 A. M. From the 4th to 6th from 7 to 11 A. M. The evenings for this week show a fairly high from 5 to 8 P. M. This does not mean fish can not be caught at other times, it just requires more skill and patience as fish will not be too active. Any question that you may have concerning fishing will be answered if you address them to "Guide to Fishing" Box 41, Roscommon, Michigan.
